TITLES

National Princess:
Winner in each division

Duchess:
First runner-up in each division

Countess:
Second runner-up in each division

Stage Escort: One chaperone is permitted to be on-stage with the contestant. If your child is comfortable being on stage by themselves, they are allowed to walk unaccompanied. Whether or not the child has a chaperone on stage has no bearing on their score. **Absolutely no running** is permitted on stage. If your child is walking the stage alone and starts running, a Queen at random will be assigned to walk with your child.

Stage Presence: Our judges are looking for the contestant who engages with them while allowing their personality to shine through on stage. As your child grows and matures, modeling poses can be added to their routines. Parents are **not** permitted to stand in the audience and model routines for their child during any event. *Points will be deducted if the judges observe a parent doing so.*

Required Events

Formal Wear

- Each contestant will have their moment alone in the spotlight in the formal gown of her choice. You will have approximately 45-60 seconds on stage.
- Contestants can wear long or short formal gowns. Cupcake style is fine for 0-3 year olds; 4-6 year olds should begin transitioning to long formals when they are able to walk without tripping or holding the gown. All Princess Program contestants should have straps on their gowns.
- Long formals should gently brush the ground, and at most be no more than 1" from the floor. Do not hold your gown while walking. If you choose a long dress, it should not puddle on the floor in the front, but should be long enough to cover your shoes.
- All gown colors are welcome, please choose your color to suit your complexion and personality.
- This will be your time to shine and display your grace on stage. Be sure to make eye contact with each judge and show them your beautiful smile.

Final Look

- Final look is a line-up designed to showcase your little one to the judges.
- Each child will step forward from the line and be presented to the judges for one final look and overall impression score. Use this moment to engage the judges and let your little girl's personality shine through!
- This will take place immediately following formal wear (remain dressed in gown).

Required Events (cont.)

Community Donation

- Our national goal is to partner with organizations that support and empower women, children, and the local community. Every year we work tirelessly to seek out these amazing organizations. This year we are proud to announce that we will be partnering with two different organizations! Learn more about the Princess Program National charity organization and the donations they need on the next page.
- The organizations will correspond with three age groups: ages 0-6, 7-18, and 19+. This will count as 10% of your score. All delegates are required to donate at least one item to receive their full 10%. Donations lists are provided below. All contestants must submit a typed list and total count of items at registration and make sure your donations are packaged for easy transport.
- Alternatively, donations may be shipped directly to the organization. **Important:** If you ship donations, you must provide shipping proof and an itemized list of what was donated.
- Community Service winners will receive an award in each division. This is presented to the delegate who brings the most donations for her age group's National charity.

National Ad Program

(not required)

ADS PAY YOUR WAY TO NATIONALS!

- ♥ Our ad program is simple: for every ad you sell, **half** of the money will be applied to your fees.
- ♥ That's not all! For every **10 full ad pages** you sell, you will receive **one night paid** at the host hotel!
- ♥ The contestant that **sells the most ads** will receive a stunning crown and award on stage at Nationals.

KRYSTINA AGLIATA, NATIONAL LIFETIME QUEEN

The American Royal Beauties Ad program is one of the best in the pageant world! There is no requirement to even sell ads, but if you do there is such a reward. Every year, Delegates are able to pay their entire fees using the ad program. Although it may seem daunting, there is real success available if you are willing to put yourself out into your community.

When I competed, I thought I would try to sell a couple ads to save some money on my National fees, but I was so surprised by the success I had! By the time Nationals came, I had my entire entry fee paid, including my optional entry fees! Also, winning a night paid at the host hotel helped to make Nationals super affordable! Here are a few helpful tips I'd recommend:

- ♥ **Just go for it!** The worst that can happen is someone saying "no thank you," but at least you tried!
- ♥ **Start small.** Reach out to close friends and family members. From what I've seen, those close to you are typically the most willing to help
- ♥ **Reach out to local small businesses.** I'd suggest ones you've shopped with or that you've gained some sort of relationship with. Don't count out your friends' businesses as well! My friends were happy to support me and advertise their business at the same time.
- ♥ **It's okay to follow up!** If you shoot an email or text to someone and you haven't heard back in 7-10 days, try again!
- ♥ **It's important to keep asking!** You will be surprised by who says yes to you! Don't get discouraged with rejection and keep trying with new people.

Sell Sponsor Ads

1

- ♥ Visit your family, friends, and other prospects. Who are "other prospects?" These are people you have supported over the years, they know you, and they are happy to return your support. **Ads are tax-deductible** as an advertising expense. Be sure to provide a receipt!
- ♥ Examples include dentists, doctors, vets, insurance agents, restaurants, salon, etc. These local business people have the authority and funds set aside to advertise and to show support. But don't forget your family, they will want to cheer you on with an ad too!!!
- ♥ Sponsor Ads can be purchased in blocks of any size. However, it is up to you to compile your ads into one full 8.5x11" page. Each full page submission is \$100.

Design Your Ad Pages

2

- ♥ **Ads must be submitted in fully designed format. You are responsible for compiling all of the ads you sell into a full-page layout.** You can do so yourself in a word processing software, an online software like Canva, or by partnering with a professional graphic artist to complete your designs.
- ♥ Please submit high-resolution ad layouts and don't put any text or important parts of images within 0.75" of the edges.
- ♥ Ads will be printed in full color and may be submitted as grayscale or color images.
- ♥ Layouts can be created in whatever way you would like, as long as the ads add up to complete full page submissions. An example ad page layout is shown on the next page, but you are free to arrange your ads however you would like based on the blocks you have sold.

Submit Full Ad Pages

3

- ♥ Completed ads must be uploaded to this [LINK](#). **DO NOT email your ads.** Note: Ads should be submitted in .jpg or .pdf format only. Your file must be named (YourName)_(Page #) before uploading. For example, if you submit five full ad pages, the fifth one would be named SallySmith_5.
- ♥ You will submit payment for your ad pages when you upload them. If your sponsor prefers to pay with a business check, use Office Code BUSINESSCHECK on the submission form to bypass payment. Business checks or certified bank checks can be mailed to the office (personal checks will not be accepted). Checks must be received by June 1 to be accepted. The office address is P.O. Box 425, Lithopolis, OH 43136.
- ♥ Please wait to upload until you have all of your ads ready for submission to keep corrections at a minimum. If you must resubmit an ad, use Office Code CORRECTION to bypass payment.
- ♥ Please do not use an office code that does not apply to all ads within your submission. Ads will not be printed if payment has not been received by June 1, 2025. If you have a mix of ad payment types (e.g., some that will be paid with business checks and some that you will submit payment for), please submit them in separate form submissions.

Our system recognizes and promotes the accomplishments and uniqueness of these outstanding girls and women. Each contestant will take home lifelong skills by participating in our natural scholarship pageant. She will learn how to effectively speak on stage in front of a live audience, as well as, learn how to dress and conduct herself in an interview. All of the skills gained by participating in our national event will further assist each contestant in their advancement in academics and promote life long learning to achieve success in her future career.

The mission of American Royal Beauties is to teach women of all ages about the heart of service. Our motto, Crown to Serve, reflects this statement. Our crown stands for service and devotion to helping others. We encourage our royalty to be actively involved in their communities. We truly believe these women will change our world for the better. Your financial investment today is an investment in the future. Rules

BASIC COMPETITION REQUIREMENTS

You must be a resident of or have an affiliation with the state you want to represent. American Royal Beauties is a National scholarship system open to girls and women of all ages in every state in the USA, Canada, and Puerto Rico. Contestants must be biologically female.

AGE DIVISIONS

Baby Princess 0-18 months
Tiny Princess 19 months-3 years
Princess 4-6 years
Sweetheart 7-9 years
Pre-Teen 10-12 years
Jr. Teen 13-15 years
Teen 16-18 years (unmarried)
Miss 19-29 years (unmarried)
Ms. 30-44 years (married or unmarried)
Elegant Ms. 45 years and up (married or unmarried)
Mrs. 19 years and up (married)

Your age division is determined by your age and marital status on January 1 of the year of the National pageant. The director reserves the right to move a contestant up or down one age division to accommodate a contestant's individual circumstances. Each situation will be evaluated on a case-by-case basis at the director's discretion. If a contestant falls within 30 days of aging up to the next division, the contestant can elect to stay in the younger age division at state and continue in that age division for Nationals.

Contestants in all categories, except for the Mrs, Ms, & Elegant Ms divisions, must be unmarried. Contestants can be married or unmarried in the Ms and Elegant Ms divisions. Contestants in the Mrs. division must be engaged or married by January 1 of the year of the National pageant. If you are engaged as of January 1 of the year of Nationals, then you must be married before the National pageant to compete for the Mrs. title.

Optional awards and side awards may combine age divisions if there are not enough contestants participating. In order to award for a single age division, there needs to be a minimum of five contestants participating in the optional or side competition. Age divisions will be combined for awards according to the director's discretion. The main queen title will never be combined, and will be given for each age division.

MAKEUP & OUTFIT GUIDELINES

These guidelines apply to all events, including stage events, interview, and photo submissions. Baby, Tiny, Princess age divisions are not allowed to wear makeup. Contestants in our Sweetheart age division are allowed minimal makeup consisting of lip gloss, light mascara, and pressed powder for shine only; some concealer is okay if needed. Pre-Teen and Older Age Divisions are allowed age appropriate makeup, but not overdone. We are a natural pageant, we want to see the natural you shine through. Contestants may not wear flippers or wigs, unless there is a medical reason or it is a part of their normal every day look. Hair extensions and weaves are allowed in the Jr. Teen age divisions and above. If you are in a younger division and wearing a hair extension or weave is a part of your everyday look, please email the National office, info@arbpagants.com. Spray tans are allowed in Sweetheart - Elegant Ms. divisions as long as they look natural; please no orange or dark tans. Spray tans should be used to even out complexions and add a natural glow only.

We are a family friendly competition, please only age appropriate outfits. Anything revealing or sexy is absolutely not allowed. No contestant can wear gowns or outfits with upper thigh-high slits, cutouts showing too much skin, mini-skirts, or deep plunging necklines revealing too much cleavage. Strapless gowns are allowed in the Pre-Teen and above divisions. Contestants in the Teen and above divisions are allowed to have a modest slit in their gown. Two-piece gowns and gowns with cutouts are allowed as long as they are modest and sophisticated, and not sexy or too revealing.

Costumes used for talent optionals must be age appropriate and family friendly. Anything overtly vulgar or sexually explicit will not be allowed. All music must be family friendly.

If a contestant is caught violating these guidelines the judges will be informed and points will be deducted for every event the contestant is in violation. In extreme cases of inappropriate outfits, the Directors may choose to not allow the contestant to compete until the violation is corrected.

PHOTO GUIDELINES

All photo entries should follow makeup and outfit rules listed above. Outfits and poses must be family friendly and age-appropriate. Light, natural retouching is allowed to enhance the image subtly (blemish removal, color correction, etc.). Photos should still resemble the contestant. Any post-processing should enhance the image without making it look overly manipulated or artificial. We do not allow AI (artificial intelligence) editing under any circumstances. This includes but is not limited to photos edited with the AI features of apps like FaceApp and FaceTune. Photos should be recognizable as the contestant. Absolutely no glitz photos (heavy makeup, extravagant hairstyles, or excessive retouching). Color or black-and-white photos are acceptable.

Rules

SASH PROTOCOL

The sash is worn on your right shoulder and attaches at your left hip. State and local titleholders are not permitted to add rhinestones to their sash; this designation is reserved for national royalty. State and local titleholders can add their first name only to the back of their sash with a script or block font. Your name will be read left to right and should be embroidered UP the back of your sash. You are permitted to add five sash pins/buttons maximum on your sash, as long as the items do not detract or cover any of the embroidery on your sash. Pins/buttons representing other pageant systems are not permitted on your sash.

SCORES, COMMENTS, & RANKING

Scores and comments are emailed within 4-6 weeks following an event. Comments are transcribed for an additional fee. Please see the National Delegate Facebook group for additional details. American Royal Beauties does not disclose overall ranking, and will only announce runner-ups as long as there are a minimum of two remaining contestants on-stage. We will not leave one competitor formally announced in last place.

APPEARANCES

State Queens are required to complete 7 quality appearances and return to state to crown your successor. National Queens are required to complete 12 quality appearances (one a month) and return to nationals to crown their successor. National Princess Program Queens are required to complete 8 quality appearances. The definition of a quality appearance is that you are actively promoting the system by either performing community service, passing out cards or flyers, speaking in public about the system, or engaging in recruiting contestants in some way. Any other type of appearance will not count towards your required appearances. We consider the main job of our queens is to be the ambassadors for our system and actively engage in the pursuit of promoting their titles and the system. We encourage combining community service with actively promoting the system; such as speaking about your title at a fundraiser for charity. Please note, a quality appearance takes time and cannot be accomplished by taking a picture in front of a building and passing out a couple of flyers. Each appearance should take time and thoughtful preparation. All appearances must be submitted to the national office (via the appearance form) and posted on your social media account within 30 days of the appearance.

Do not make an appearance at another pageant system and try to recruit contestants, that is considered rude and frowned upon by everyone in the pageant community. This is not considered a quality appearance unless the director of that system allows you to announce your title on stage (or be recognized in some way), wear your crown and sash, and pass out cards (only if you are approached - never actively recruit contestants at another pageant system). Always be respectful of other pageant systems, and contact the director before attending to ask about their particular rules; for instance, can you wear both your crown and sash, or is it sash only, can you hand out an autograph card if you are approached, etc. If you are judging the pageant and the director of that pageant allows you to talk a little about your title and/or write about your title in your judge's bio that would be considered a quality appearance.

NON-COMPETE CLAUSE

State and local titleholders do not have a no-compete clause. However, while you hold a state or local title with American Royal Beauties, you are not permitted to compete in another pageant system that does have a no-compete clause.

National Queens (ages 0-6) do not have a no-compete clause. However, National Queens (ages 7 & up) DO HAVE a no-compete clause. It is a privilege and honor to represent American Royal Beauties at the national level. All of our contestants work extremely hard to represent American Royal Beauties and their platforms. All National titleholders are required to place their national title as their first priority throughout their year of reign. Always check with the director first to make sure your other titles will not interfere with your national title.

CODE OF CONDUCT

Bad sportsmanship and gossip will not be tolerated and are cause for disqualification during a competition, and in extreme cases the loss of your title if you are a reigning queen. We take this very seriously and have zero tolerance for inappropriate behavior of any kind. Any contestant that is disqualified or reigning queen that has her title revoked for this reason will be banned from competition for a period of one year, a second incident will result in permanently being banned from competition.

Participants and their guests shall not disparage ARB, its associated events, or any fellow contestants, through any means, including but not limited to, oral, written, or social media platforms. Engaging in disparagement will lead to the automatic forfeiture of titles and prizes.

All deposits and fees are non-refundable. All payments will have an administrative fee of approximately 3.5% attached to the final invoice.
