Who We Are

American Royal Beauties is a national scholarship pageant. We emphasize the importance of community service, character, and integrity. We will develop young ladies into future leaders of tomorrow with good moral values, goals, and community presence. We will teach them to be positive role models and to lead by example. We believe in empowering women so they can empower others. Our national community service goal is to partner with organizations that support and empower women. We will strive to serve these women and encourage our royalty to be actively involved with these organizations. Our motto, *Crown to Serve*, reflects this statement. Our crown stands for service and devotion to helping others.
